**ACADEMIC AND ATTENDANCE POLICY AND PROCEDURE**

Salford College has elected to implement the Department of Education and The Department of Home Affairs Course Progress Policy and Procedures. What this means, is your progress through your course is carefully monitored, and unsatisfactory academic performance may lead to cancellation of your enrolment.

Salford College identifies one semester as a study period. Each semester consists of two terms of around ten weeks each. You are required to complete all assessment tasks for each unit of competency. You will be informed no later than four weeks after the assessment, whether the assessment outcome was satisfactory or not satisfactory.

You will be at risk of not maintaining satisfactory course progress if you are ‘not yet competent’ in 50% or more of the units attempted in any one study period.
If your progress is not satisfactory, a reminder to you of your obligations and an invitation to see the Student Support Officer will be mailed to you. The Student Support Officer will also contact you by telephone or email. This meeting is to assist you in developing a plan of action to improve your academic performance.

Students enrolled in ELICOS programs are to maintain 20 hours workload and will be reported to the department of Home Affairs should they not meet the attendance requirements of the course within a study period (3 months)

**Do not ignore this!**

If there is no valid reason for the ongoing underperformance, the matter will be referred to the CEO, who can choose to cancel your enrolment.

If you fail to get in contact, or do not access the complaints process within 20 working days, or fail to attend the scheduled meeting, the Student Support Officer will issue a warning letter advising you that you are at risk of breaching your student visa requirements through not achieving Satisfactory academic progress.

If you again fail to get in contact, the Student Support Officer will issue a final letter advising that you are in breach of your student visa requirements and you will be reported to Department of Home Affairs (Under the Migration Act 1958).

If you still do not respond to the final Warning letter, your course enrolment will be terminated for non-compliance with visa conditions (Under the Migration Act 1958) and processed as required by the ESOS Act 2000. A copy of any breach notice will be sent to you. This breach notice offers you 20 working days in which to trigger the complaints and appeals process.

If you don’t trigger the complaints and appeals process, or if you withdraw from the course, then Salford College will terminate your enrolment and cancel your CoE. DIISTRE and Department of Home Affairs will be notified of this action. This may result to visa cancellation depending on the interview outcome with Department of Home Affairs.

USI - UNIQUE STUDENT IDENTIFIER

From 1st January 2015 students enrolling in nationally recognised training in Australia will need a Unique Student Identifier (USI).

The USI is a form of file number that will link students to their training records which are held in the national training collection. Students will be able to access their records online, download them and share them with future training organisations electronically. With the student’s permission, training organisations will be able to see their students’ entire nationally recognising training record commencing with records collected in 2015. Training organisations will find it easier to assess pre-requisites and credit transfers and assess students’ eligibility for government funded training places.

The USI will improve the VET sector’s transparency and responsiveness, enable more evidence-based policy intervention by Governments and support the management of government funded student subsidy programs.

The USI Office has developed two connection options:

1. A web services solution that provides a seamless system to system interface with a training organisation’s student management system and
2. The USI Registry system.

Both systems allow:

➢ The creation of USI accounts for students who give the training organisation permission to do so
➢ The ability to verify a student’s USI number to ensure its accuracy and reliability before uploading their AVETMISS compliant submission to the National Centre for Vocational Education Research (NCVER) database.

Students who need a USI include:

1. Students who are enrolling in nationally recognised training for the first time;
2. School students completing nationally recognised training; and
3. Students continuing with nationally recognised training.

A student who is continuing study is a student who has already started their course in a previous year (and not yet completed it) and will continue studying after 1 January 2015.
Once a student creates their USI they will be able to:

- Give their USI to each training organisation they study with;
- Give their training organisation permission to view and/or update their USI account;
- Give their training organisation view access to their transcript;
- View and update their details in their USI account; and
- View online and download their training records and results in the form of a transcript from 2016.
- Control access to their transcript from 2016.

USI Access Form

To gain access to the USI Registry system you are required to complete the USI Access Form. This form is available on the USI website using the following link:

This is an online form and once submitted the USI Registry system will be updated with your information. This will be completed within a couple of business days. You can access the USI Registry system through the USI website at www.usi.gov.au

The following documents are acceptable forms of ID in the USI Registry system and can be verified through the Document Verification Service:

- Driver’s Licence – issued in Australia
- Medicare card – current and issued in Australia
- Passport – Australian passport
- Birth Certificate – issued in Australia
- Certificate of Registration by Descent
- Citizenship Certificate
- Visa – the international passport number is required to link to the visa
- Immi Card – issued in Australia.

Please visit http://usi.gov.au/Students/Pages/steps-to-create-your-USI.aspx to learn more.

ID Cards

You will be issued with a Salford College Identification Card (ID), when you are enrolled at Salford College. Your ID will show your photograph, name, student number, commencement and completion date. You are required to have your Salford College ID with you at all times whilst at Salford College Training facilities. You may be asked to produce your ID at any time.

Attendance

While Salford College reports students for Unsatisfactory Course Progress, we also monitor attendance. All students enrolled in ELICOS programs are monitored and reported under Attendance requirements.

Late Attendance:

To be fair and courteous to all students if you arrive late and the training room door is closed at 9.30 a.m.
SKILLS RECOGNITION

• Recognition of Prior Learning (RPL)

This process encourages you to apply for recognition for previous study, work, life and educational experience that match the units of competency, qualification or part qualification of modules within the training and assessment program.

If you are applying for recognition of existing skills and knowledge, then you will need to generate evidence to support your claim to be assessed. Examples of evidence might include; minutes of meetings, emails, letters, project documentation, case notes, managers’ validation letters, certificates issued by other training organizations, job description, resume or outlines of previous training and development. We also recognise Units of Competency and Qualifications completed through other Registered Training Organisations.

To apply for RPL, contact Salford College to discuss your skills recognition and assessment options. You will receive a copy of the RPL Information Kit and be required to complete the form in the RPL Application Kit, available from Salford College website under the resources tab, Downloads An appointment will be made for you to discuss your application.

• Credit Transfer/National Recognition

Salford College recognises Qualifications and Statements of Attainment issued by other Registered Training Organisations throughout Australia. The policy on National Recognition clearly states the recognition and application process. Recognition is granted by direct recognition of the competency unit completed at another RTO. The applicant must provide original testamurs for verification prior to acceptance of recognition. The RTO will record this as a credit transfer against the relevant unit(s).

Credit transfer is where students have completed units of competence from a current or previous training package that are comparable (through a mapping process) to those you are about to be or are currently enrolled in. Student can apply for RPL/Credit Transfer within 14 days of their enrollment.

To apply for Credit Transfer, fill out the Credit Transfer form (available at Student Administration) and attach copies of the evidence you have (e.g. Statement of Attainment or Certificate) to show you have completed the unit.

*Please ensure that you apply for the RPL/Credit Transfer before enrollment or within 14 days of commencement of studies so that the trainers can make a personalized learning plan for you. Any application received after that period would not be entertained and would not result in any reduction of fees.*

• Deferral, Suspension or Cancellation of Enrolment

We recognize that there may be times when a student wishes to defer, suspend or cancel their enrolment. If this is the case, students must contact the Student Support Officer at Salford College and inform them of the reasons.

Students may be granted deferment or temporary suspension from their studies on compassionate grounds or due to compelling circumstances (e.g. where a medical certificate states that a student is unable to attend classes). There are strict guidelines from DIISTRE governing the circumstances under which deferment can be sanctioned.

If this deferment or temporary suspension is granted, we will let you know in writing that your enrolment has been deferred or suspended. The letter will also remind you that a change in enrolment status may affect your visa.

We will notify Department of Home Affairs and DIISTRE of the change in enrolment. You might be eligible for a refund in this instance – remember to check the refund policy and apply if appropriate.

Salford College may choose to defer, suspend or cancel a student’s enrolment for the following circumstances:

• You have compassionate or compelling circumstances (such as personal illness or illness/ death of a family member at home; birth of a child or political upheaval)

• Misbehavior by the student (including but not limited to Student Behavior outlined in this handbook)
• Nonpayment of student fees
• Assault of another
• Committed a crime
• Or any other reason as per the misconduct policy of the College.

If Salford College decides to defer, suspend or cancel a student’s enrolment, then Salford College will let you know about their decision in writing. Salford College will remind you, that the change in enrolment status may affect your visa, and that you have 20 working days to use our complaints and appeals process as outlined before. A copy of the letter you are sent will be placed in your student file.

If you decide to not access the complaints and appeals process, then the College will notify the Department of Education and the Department of Home Affairs your enrolment has been deferred, suspended or cancelled. If you do use the complaints and appeals process, the suspension or cancellation will not take effect until the process is completed.

**TRANSFER OF INTERNATIONAL STUDENTS BETWEEN OTHER PROVIDERS**

- **Students Transferring to Salford College**

  • Check if the original provider has provided a letter of release to the student
  • Check if the student is sponsored by the government
  • Check the age, English proficiency and medical status of the student

  • The student meets the entry requirements of the course; and
  • The student can meet the fees for the remainder of their course; and
  • The student has been complying with their Visa conditions.

  Special consideration will be given to students requesting transfers if Salford College considers, that personal circumstances of the student or academic grounds, make it difficult for the student to continue study with their current provider.

  Salford College will refuse requests from students for a transfer from another registered provider prior to the student completing six months of their principal course of study in the following circumstances:

  • If the student is under 18 years of age; and
  • If the student does not have an overall IELTS score 5.5 (Academic) or equivalent.

• Inform the student that it is their responsibility to contact Department of Home Affairs to ascertain whether a new student visa is required.

If the request for transfer is not approved, Salford College will

• Issue a written response including the reasons for the refusal; and
• Inform the student of their right to appeal the decision; and

COMPLAINTS AND APPEALS PROCESS

Salford College maintains a supportive and fair environment, which allows training participants to lodge appeals against our decisions. Complaints and appeals are resolved as amicably as possible using this appeal process.

The Process allows the student to complaint about any product, services or facet of services received or not received by the student from Salford College. It also allows the student to appeal against the decision taken by the College and have the decision revoked. It further allows the student to seek external mediation after all due processes are exhausted.

We will adhere to the National Code to respond to complaints and appeals. Our complaints and appeals process:

- Is available to all students – ask Student Support Officer and at www.salfordcollege.edu.au
- Each complaint will be heard in confidence
- Internal process is free of charge
- Can be used for all forms of complaints
- Resolved as quickly as possible
- Can assist to improve our systems

Salford College will commence the complaints process with 10 working days of the formal lodgement of your documents. All reasonable measures are taken to finalise the process as soon as practicable.

INTERNAL APPEALS

Discuss your complaint with your Trainer to resolve, if appropriate.

If not resolved in Step 1, then the complaint is documented on the Complaints Form and submitted to the Student Support Officer. Alternatively, you may discuss your complaint with the Student Support Officer, Training and Quality Manager or Chief Executive.

The Student Support Officer record the details of the complaint and the discussed outcomes with the student. The discussion is documented, and a copy kept on your file. This is reported to CEO.

Complaints are investigated fairly and objectively with details of the investigation provided in writing to the complaint. Where the student is not satisfied with the outcome, the student may use the external complaint process.

The CEO will close the case when the complaint has been resolved to the satisfaction of both the parties.

A copy of all documentation is placed in the student’s file, staff file or Continuous Improvement Register as appropriate.

In the event that a complaint is substantiated, Salford College will take prompt and appropriate action to resolve the circumstances.

At each step of the complaints resolution process Salford College will allow you to make representation either orally or in writing prior to reaching a decision.

If you choose to access our complaints and appeals processes, Salford College will maintain your enrolment while the complaints and appeals processes are ongoing.

External Mediation

Where a complaint or appeal cannot be resolved through discussion, conciliation or via the appeals committee, Salford College acknowledges the need for an appropriate external and independent agent to mediate between the parties. In this instance, Salford College will provide students with the details of external authorities that they may approach with respect to the issues if required.

Where all internal avenues have been exhausted and the matter remains unresolved, Salford College (in negotiation with the student) will seek the input of an external independent mediator.

Salford College’s mediator of choice for all matters excluding fee related matters will be Paul Bartley – a member of the Resolution Institute
If there is a cost involved, the cost of the external mediator will be shared equally between Salford College and the complainant. Any cost borne by the student for any such process will not be reimbursed by Salford College.

  The Triple Zero (000) service is the quickest way to get the right emergency service to help you. It should be used to contact Police, Fire or Ambulance services in **life threatening or emergency situations only**. Emergency 000 lines should not be used for general medical assistance.

- **Police**

  In Australia police protect people and properties, detect and prevent crime, and preserve peace for everyone. They are not connected to the military or politics. The police can help you feel safe. In a **non-emergency situation**, you can contact the local police station directly on: 131444 Nearest Police Station.
• **Fire**

The fire brigade extinguishes fires, rescues people from fires in cars and buildings, and helps in situations where gas or chemicals become a danger. As soon as a fire starts call 000 no matter how small or large the fire may be.

• **Ambulance**

Ambulances provide immediate medical attention and emergency transportation to hospital. Dial 000

• **State Emergency Service**

The State Emergency Service (SES) is an emergency and rescue service dedicated to providing assistance in natural disasters, rescues, road crashes and extreme weather conditions. It is made up almost entirely of volunteers and operates in all States and Territories in Australia. For emergency assistance in a FLOOD or STORM dial 132 500.

• **Lifeline**

Lifeline’s 13 11 14 service is staffed by trained volunteer telephone counsellors who are ready to take calls 24-hour a day, any day of the week from anywhere in Australia. These volunteers operate from Lifeline Centres in every State and Territory around Australia.

Anyone can call Lifeline. The service offers a counselling service that respects everyone’s right to be heard, understood and cared for. **Poisons Information Line**

The poisons information line provides the public and health professionals with prompt, up-to-date and appropriate information, and advice to assist in the management of poisonings and suspected poisonings. The seriousness of a poisoning situation is assessed after a detailed history is obtained from the caller. Members of the public may be then given first aid instructions, information on possible symptoms, and advised on the need for assessment by a doctor or referral to hospital. The Australia-wide Poisons Information Centre have a common telephone number: 131 126.

**INTERPRETING SERVICES**

For interpreting service on dial 13 14 50

**OVERSEAS STUDENT HEALTH COVER (OSHC)**

Overseas student health cover (OSHC) is insurance that provides cover for the costs of medical and hospital care which international students may need while in Australia and is mandatory for international student visa holders. OSHC will also cover the cost of emergency ambulance transport and most prescription drugs.

**How do I get OSHC?**

You may be or have been asked for an OSHC payment in the education offer package you receive from your chosen education provider, if they have a preferred provider agreement and don’t need to complete a formal application form. If not, you may need to complete an Application for OSHC which is available from registered OSHC providers and most educational institutions. Your local education adviser can lodge your OSHC form and payment at time of processing your enrolment to study in Australia.

Only Australian health funds that have signed an agreement with the Australian Government can provide OSHC. Most Australian education institutions have a preferred OSHC provider. Depending on the institution you will be attending you will be required to join one of these four registered health funds. You may choose to change your health fund at any time but will need to abide by the conditions of change of the health fund provider you are leaving.

Students may also take out additional cover in the form of Extra OSHC and students who could not previously access OSHC may now be able to access Optional OSHC. Some students may be exempt from enrolling in the OSHC such as
students from countries who are Governments may have Reciprocal Health Agreements for students in Australia. Note: only some reciprocal health agreements cover students in Australia, some will only cover visitors. You should determine if you are eligible before you apply for your visa to come to Australia.

Further information on OSHC can be found at:

If you come to Australia on a visa other than a student visa and undertake a short course of study of three months duration or less you will not be eligible for OSHC. It is wise to purchase travel or private medical insurance in this case.

What am I covered for?

OSHC provides a safety net for medical expenses for international students, similar to that provided to Australians through Medicare. Additionally, OSHC includes access to some private hospitals and day surgeries, ambulance cover and benefits for pharmaceuticals.

How do I use my OSHC card?

If you need to visit a doctor or medical centre, show your card at the end of the visit. You will be charged the doctor’s fee and the government fee component of that may be processed by the medical centre. If the medical centre is not able to process the government fee, pay the total amount, keep the receipt and you can claim the government fee back from your OSHC provider.

How do I make a claim?

SETTING UP A BANK ACCOUNT

You can choose to open an account in any Bank, Credit Union or Building Society in Australia. Do your research to get the best deal.

To open a bank account, you will need:

- Your passport (with arrival date stamped by Australian immigration)
- Student ID card
- Money to deposit into the account (this can be as little as $10)

Anyone who wishes to open a bank account in Australia must show several pieces of personal identification which are allotted a points system. 100 points of identification is required to establish your identity as the person who will be named in the account. Your passport and proof of your arrival date in Australia will be acceptable as 100 points IF you open an account within six weeks of arrival in Australia. After this time, you will be required to produce additional documentation. As a student, you will be able to open an account with special student benefits. Many banks have ‘Student Accounts’ which contain no or minimal fees for transactions that might normally be attached to regular savings accounts. You will also require the student ID card from your institution to prove you are a student and should have access to the benefits offered by a student bank account. For a comparison of accounts in banks throughout Australia see:

Most people in Australia enjoy the convenience of Internet banking and/or Telephone banking, which enables them to manage their money, pay bills etc. from home. At the time you are setting up your account you can request these services from your bank.

Please go the banks websites to find the latest location of the ATM around the College or your residential location. For any assistance speak to the college staff.

BANKING HOURS

Most bank branches are open from Monday to Friday, 9:00am to 4:00pm (except on public holidays). Some branches have extended trading hours during the week and may be open Saturdays (check with your individual bank). ATMs remain open 24 hours a day. However, you should be aware of your personal safety if accessing cash from an ATM at night in quiet areas where there are not a lot of people around.

BANK FEES

Bank fees are the price you pay for the products and services that banks offer. Different banks charge different fees for different products and services, and the best Way to find out what fees apply is simply to ask your bank. Any fees that apply to your accounts are fully disclosed in information leaflets and terms and conditions that your bank can provide before you open your account. Some banks waive some fees if you are a full-time student. The Way you do your banking may also affect the fees that apply for example: internet banking rather than walking into a branch.

If you don’t understand any fee that has been charged, contact your bank.

ACCOUNT STATEMENTS

Most banks will provide regular statements for your accounts (just how regular can depend on the type of account). On request, banks will provide statements on a deposit account at more frequent intervals, but this may attract a fee. Bank statements are your record of everything that has happened in your account over a given period – the withdrawals, deposits and transfers that were made, and any bank fees and government taxes you were charged. Telephone and Internet banking can make it easy to check your statements, and some banks even offer ‘mini statements’ through their own ATMs.

Check your statements regularly to make sure you’ve got enough money in your account to cover your expenses and keep track of your spending, as well as make sure that all transactions made in your account are legitimate. Refer to your statements to see what fees you are paying on your bank accounts and why, and to see whether a few simple

**ACCESSING MONEY FROM MY ACCOUNT**

Bank accounts offer lots of options for accessing your money. Some of the most popular options are described below.

**ATMs (AUTOMATIC TELLING MACHINES)**

ATMs can be used to withdraw cash from an account by using the ATM card which is available with most bank accounts. You can also use ATMs to get an account balance and transfer money into other accounts. Some ATMs also allow you to deposit cash and cheques into your account. Using the ATMs of your bank will generally cost less money than if you use another bank's ATMs. Fees for using ATMs can vary between banks and between accounts.

**USING AN ATM**

You will be given a PIN (Personal Identification Number) which you will enter the ATM to access your account. It is the key to your account and it is important that you never tell anyone your PIN. A bank or reputable business will never ask you for your PIN. If anyone does, be suspicious, don’t hand it over and report the incident to the bank and the police.

Be careful no-one is looking over your shoulder when you enter your PIN.

These general rules should be followed for ATM safety, especially at night:

- Minimise your time at the ATM by having your card ready when you approach the machine;
- Look around as you approach the ATM and if there's anything suspicious, don’t use the machine at that time (report any suspicions to the police);
- If you don't feel comfortable using a ATM, consider continuing to another branch or using off-street ATMs;
- Do remember that EFTPOS can be used to withdraw cash at many other places, like supermarkets and service stations;
- If you simply want to check your account balance or transfer funds between accounts, telephone or Internet banking can be used instead of an ATM.

If your ATM or credit card is lost or stolen (or if your PIN has been revealed to another person), notify your bank immediately. This will enable your bank to put a stop on your card immediately so that no one else can use it and get access to your money. Most banks have a 24-hour telephone number for reporting lost cards – it’s a good idea to keep a record of this number handy always, just in case. If you don’t know the number, ask your bank. (Source: Australian Bankers’ Association Inc.)

**SAFETY WHEN CARRYING MONEY**

The first and fundamental rule of safety when carry money is:

“Don’t carry large amounts of cash!”

Second:

“Don’t advertise the fact that you are carrying money!”

- Divide your cash into different locations on your person (front pocket, coat pocket, shoes, etc.).
- Keep your wallet in one of your front pockets always.
- Do not carry cash in a backpack or back pocket.
- Sew a small money pocket into the cuff of a trouser, sleeve of a shirt or even a bra.
- Divide your bank/credit cards and keep them in separate locations.
- Do not place money or valuables in lockers.
• Be very careful how you carry your handbag, and never leave it open for someone to slip their hand inside.

**EFTPOS**

Short for ‘Electronic Funds Transfer at Point Of sale’, EFTPOS terminals can be found where goods or services are sold, for example, supermarkets, service stations, restaurants, doctors’ surgeries and gymnasiums. You can pay for goods and make payments through EFTPOS using your ATM card, rather than paying with cash. At some stores, when you use EFTPOS you can also withdraw cash from your account at the same time. You should be aware that there are some retailers who put limits on how much cash can be withdrawn which may be dependent on the amount that is spent in the store.

When paying by EFTPOS, you also use your PIN to access your account. The Same rules apply about keeping the PIN confidential and never handing it over to anyone. Be careful no-one is looking over your shoulder when you enter your PIN. See: Using an ATM.

**TELEPHONE BANKING**

You can use telephone banking to transfer payments to and from accounts, get your account balances, get recent transaction information and pay bills. You will need to register to use telephone banking and will then be given a password or an identification number that allows you to access your accounts over the phone. It’s important never to give your password to anyone else.

**INTERNET BANKING**

Internet banking allows you to view and check your accounts, review recent transactions, apply for loans and credit cards, or transfer money and pay bills – all on-line. Most banks offer Internet banking facilities, but you will need to register with your bank to gain access. You will then be given a password that allows you to use your accounts on-line. Never give this password to anyone else.

There are security issues that need to be considered when using Internet banking. It is recommended that you install and keep up-to-date anti-virus software and a firewall, update security patches and be suspicious of emails requesting you to hand over confidential information such as your Internet banking logon password. Your bank will never ask you for this information, especially in an email. In addition, many banks publish security guides on their websites and this provides important information on precautions that you can take to protect your information on-line. If you are unsure about any approach that appears to be from your bank to provide personal information. Refuse to provide that information until you can attend your nearest branch to discuss the request over the counter with bank staff. There is no charge for discussing your banking options at a branch.

**OVER-THE-COUNTER SERVICE**

You can also go into a branch of your bank and, with the assistance of bank staff, conduct transactions including withdrawals, deposits, transfers, and account balance checks. If you do not have a branch close by, you may be able to visit an agency of your branch, such as an Australia Post outlet, to conduct certain transactions. Bear in mind that over-the-counter transactions usually incur higher fees than electronic transactions.

**PAYING BILLS**

Most bank accounts offer lots of easy options for paying bills. Transaction accounts with cheque book facilities allow you to pay bills by cheque, and most transaction accounts and savings accounts allow you to pay bills electronically (e.g., using facilities such as telephone banking, Internet banking) and using direct debits.

A note of caution on direct debits – they are a convenient Way to pay every day bills, but always make sure you’ve got enough money in your account to cover the cost of the debit. If your pay or allowance goes into your account on a certain date, make sure your direct debit payments are scheduled to come out of your account after your pay goes in, or you might end up with an overdrawn account or a dishonoured payment – both can cost you money.
WORKING IN AUSTRALIA

• Permission to Work
As of 26 April 2008, people granted student visas automatically receive permission to work with their visa grant. Most student visa holders will no longer need to apply separately in Australia for permission to work. Please note that you will NOT be able to work in Australia until the first official day of classes when the education provider confirms your study commencement. Your education provider may do this automatically on the first official day of classes, or you may need to request it from them.

• Working while Studying
• You are not permitted to start work until you have commenced your course of study
• You can work a maximum of 20 hours per week during the Semester and unlimited hours when your course is not in session.

The Department of Home Affairs considers your course to be ‘in session’:

• For the duration of the advertised semesters (including periods when exams are being held)
• If you have completed your studies and your Confirmation of Enrolment is still in effect
• If you are undertaking another course, during a break from your main course and the points will be credited to your main course.

• Finding Work
You may find it difficult to find work in Australia as you will be joining the general Australian population in your search; therefore, you should not rely on income from employment when budgeting to pay for living expenses. There is no guarantee that employment companies will find work for you.

There are many different Ways to find a job in Australia:

• Newspapers
• Salford College Notice Board
• Referrals
• Work Experience interaction
• Online - try these online companies:

• Earning an Income
Taxes are managed through the Australian Taxation Office (ATO). The tax you pay depends on how much you earn.

• Getting a Tax File Number (TFN)
You must obtain a Tax File Number to be able to work in Australia. A tax file number (TFN) is your unique reference number to our tax system. When you start work, your employer will ask you to complete a tax file number declaration form. If you do not provide a TFN your employment will be taxed at the highest personal income tax rate, which will mean less money in your wages each week.

You can apply for your TFN online at www.ato.gov.au, or phone 13 28 61, 8am to 6pm Monday to Friday. For the ATO translating and interpreter service phone: 13 14 50.

If you lodge by e-tax your refund will normally be issued within 14 days.

- Lodge online using e-tax at www.ato.gov.au
- For a registered tax agent visit www.tabd.gov.au
- Tax returns are lodged at the end of the Australian tax year – (1 July to 30 June).

Superannuation

If your monthly wage is more than AU$450, your employer must contribute an additional sum equal to 9% of your wage into a superannuation (pension) account for you. In most cases, you can access your contributions when you leave Australia permanently, although the contributions will be taxed.

Check your eligibility to claim superannuation and to apply for your payment, visit: www.ato.gov.au/departaustralia

3. POLICY STATEMENT

- This policy will be given to students before a contract is entered into or before an amount of money has been paid whichever happens first.
- This policy and Procedure must be provided in full in the International Student Written Agreement/Acceptance of Offer.
- As part of our commitment to providing a fair and equitable student experience, the following complaints handling and appeals system has been developed and is freely and readily accessible and clearly explained to all students and prospective students on our official website, the student handbook and at student orientation.
  - Salford College acknowledges that students have the right to raise grievances and make complaints where they see fit.
  - Salford College also acknowledges that students have the right to appeal an assessment decision, based on valid grounds for appeal.
- Salford College has provision for students to appeal against assessment decisions, including those made by staff members or by a third-party partner and will respond to any complaint or appeal made against any of these parties.
  - Salford College ensures that students have access to a fair and equitable process for lodging an appeal against an assessment decision.
  - In doing so, Salford College:
    - has written processes in place for collecting and dealing with appeals in a constructive and timely manner (see Complaints and Appeals Procedure)
    - ensures that these procedures are communicated to all staff, third party partners and students;
    - ensures that each appeal and its outcome are recorded in writing;
    - ensures that each appeal is heard by an independent person or panel;
    - ensures that each complainant has the opportunity to formally present their case free of cost
    - ensures that each complainant is given a written statement of the appeal outcomes, including reasons for the decision
    - retains written record and statement of the outcome of the appeal or complaint
    - takes appropriate action upon the subject of any appeal that is found to be substantiated; and
    - utilises outcomes of appeals to review current practices which may potentially lead to continuous improvement.
- If a student chooses to access the Salford College complaints and appeals process, Salford College must maintain the student’s enrolment while the complaints/appeals process is ongoing.
- Students can bring along a support person to any meetings
• All appeals must be lodged within 7 calendar days of the date of the assessment result notification to the student.
• If the appeals process fails to resolve the appeal or the complainant is not satisfied with the outcome of the appeal, the matter will be referred to an independent third party for review, at the request of the complainant. All costs incurred for the third-party review will be advised to the complainant.
• Salford College will await the outcome of this process (and if, in favor of the provider) before reporting the student through PRISMS.
• Nothing in the college's Complaints/Disputes Resolution policy negates the rights of any overseas student to pursue other legal remedies.
• All appeals are acknowledged in writing and finalized as soon as practicable.
• Salford College may charge a fee for the appeals process where an external assessor is engaged. Should this be the case, all costs incurred will be advised to the complainant.
• Salford College strives to deal with appeal issues as soon as they emerge, in order to avoid further disruption or the need for a formal complaint process.
• A complaint can be forwarded directly to the Student Support Officer/Administration desk.
• The college is not required to continue to offer learning opportunities throughout the complaints or appeals process. The college can decide whether it will continue to offer learning opportunities throughout any appeals process. The college may decide to exclude a student from attending classes but continue to provide work to complete outside of the classroom environment. The college acknowledges that to deny students learning opportunities throughout the appeals process may disadvantage the student should the appeals process find in their favor.
• For appeals on the college's decision to defer, suspend or cancel a student's enrolment, the college only needs to wait until the
• internal complaints/appeals process is completed (if in favor of the college) to notify DET/DHA via PRISMS.
• Salford College will not report a student for unsatisfactory progress or attendance until the student has been allowed to access our internal and an external complaints and appeals process.
• All appeals will be handled ‘In-Confidence’ and will not affect or bias the progress of the participant in any current or future training. The college will respond to any complaint or appeal an overseas student makes regarding their dealings with the college, the College’s agents or any related party the college has an arrangement with to deliver a course or related services.

4. RESOLVING GRIEVANCES

Students or potential students are encouraged, wherever possible, to resolve grievances directly with the person(s) concerned. For example: if the issue concerns an academic matter, the complainant should talk directly with their trainer. Similarly, any issues relating to fees should be discussed first with accounts.
If the student has attempted to resolve the issue directly but is not satisfied with the outcome or does not wish to approach the person(s) concerned directly, he/she may discuss the issue with a Student Support Officer first or the training coordinator and if still wish to escalate, directly with the CEO. The student may be accompanied by a support person during this process. (10.2.1, 10.2.4)

CEO will consider the issue and may either suggest a course of action to resolve the issue or attempt to mediate between the student and the staff member(s) concerned.

If the matter is not resolved informally the grievance may be put to a complaint, whereby the student can complete a Complaint Form.

4.1 COMPLAINTS

To commence the formal process; the complainant must complete a Complaint Form (available from Student Services/Website). The following information needs to be provided in writing:

a) outline the details of the complaint;
b) supporting information that the complainant wishes to have considered;
c) an explanation of the steps already taken to try to resolve the complaint informally;
d) why the responses received are not considered satisfactory if applicable and
e) what the complainant thinks needs to be done to address his/her concerns

- The Complaint Form will be acknowledged within 10 working days. CEO/Delegate will commence the process of considering the complaint and will acknowledge receipt of the complaint in writing to the complainant.
- CEO/Delegate will ensure all steps are taken to resolve the complaint as soon as is practical, with the assessment of all complaints and appeals commencing within 10 working days of lodgment. (10.2.3)
- Complaints or appeals wherever possible are to be resolved within 21 working days of the initial application.
- A signed copy (signed by student and investigating officer) of the conclusions/outcome of the complaint/appeal provided to the student is also to be kept on the student file.
- When an external appeals process has been completed, the college must immediately implement the decision or recommendations and/or take the preventative or corrective action required by the outcomes of the external complaints handling or appeals process and notify the overseas student of the outcome.

Complex complaints may take longer to resolve albeit a target of 40 working days applies.

4.2 COMPLAINT OUTCOMES - UNSUCCESSFUL

If the complainant is not satisfied with the outcome of their complaint, they have the option to seek outside assistance to pursue the appeal. If the overseas student is not successful in our internal complaints handling and appeals process, they must be advised within 10 working days about their rights as an overseas student to access an external complaint handling and appeals process at minimal or no cost.

The Commonwealth Ombudsman provides an external complaint and appeals process for overseas students of private education providers. If you wish to lodge an external appeal or complain about a decision made by the college, you can contact the Overseas Students Ombudsman. The Overseas Students Ombudsman offers a free and independent service for overseas students who have a complaint or want to lodge an external appeal about a decision made by their private education or training provider. Contact details: (10.3)
4.3 ACADEMIC COMPLAINTS / APPEALS

- Complaints/appeals against academic decisions will be accepted up to fourteen (14) days from the date an assessment result was received.
- Assessment will be reviewed having due regard to submissions made by the participant.
- An independent assessor will be assigned to assess the complaint.

4.4 SUSPENSION / CANCELLATION OF ENROLMENT

- Where the appeal relates to the college’s decision to defer/suspend or cancel a student’s enrolment for misbehavior /breach of college rules, the college will only await the outcome of the internal appeals process if it supports the college before notifying DET and DHA through PRISMS of the change to the student’s enrolment.
- If the outcome of the internal or external appeals process results in a decision favoring the student, the college will immediately implement any corrective action, decision or measures required and advise the student of the outcome.
- Notification on PRISMS must not occur until the result of the internal appeals process is known, unless extenuating circumstances relating to the welfare of the student, Staff or other students apply, such as:
  - The student is at risk of committing a criminal offence or is the subject of investigation relating to criminal matters
  - The student’s actual or threatened behavior poses a threat to other students. The student has medical or psychological problems that may affect their well-being

The college will await the outcome of an external appeals process before reporting/taking action against the student for course progress or attendance.

Where the appeal relates to the college’s decision to defer/suspend or cancel a student’s enrolment for misbehavior /breach of college rules, the college will only await the outcome of the internal appeals process if it supports the college before notifying DET and DHA through PRISMS of the change to the student’s enrolment.

If mediation is sought, the mediator is required to report the outcome of the mediation, including any recommendations arising, within 14 days of the completion of the review. Once the college receives the report of the outcomes from
independent mediation, they will provide a written report to the complainant within 10 working days on the recommended actions to resolve the grievance.

When an external appeals process has been completed, the college must immediately implement the decision or recommendations and/or take the preventative or corrective action required by the outcomes of the external complaints handling or appeals process and notify the overseas student of the outcome.

4.6 COMPLAINT OUTCOMES - SUCCESSFUL

Should the decision of the internal complaints handling or appeal process or any external process be in favor of the overseas student, that decision shall be implemented immediately. Any resulting recommendation and/or preventive or corrective action required by the decision shall also be taken as soon as practicable.
